Local Optimist Club to Support Young Cancer Patients

Cumming, GA – The Forsyth-Cumming Optimist Club is helping to support young cancer patients along with IHOP on Market Place Blvd and Moore's Wealth Management of Gainesville.

Through the Month of October, starting Saturday, October 1st running through October 31st, a *Defeat Cancer Campaign* is going to be held at IHOP located at 920 Market Place Blvd in Cumming. The Forsyth-Cumming Optimists and IHOP are inviting all our friends in Forsyth County and adjoining areas to go to IHOP make a \$1 pledge or more and sign a pledge card that will be displayed in the restaurant to show that you *are in the fight to Defeat Childhood Cancer*.

The Forsyth-Cumming Optimist Club has been supporting young cancer patients and their families in the community for 10 years through local services projects and the Optimist International Childhood Cancer Campaign since 2005. To learn more about the Forsyth-Cumming Optimist Club and how our organization works to "Bring Out the Best in Our Kids and Community", please visit our site FCoptimists.org.
