

Forsyth-Cumming Optimist Club

"Bringing Out the Best in Kids"

September 1, 2022

Dear School Counselor:

The Forsyth-Cumming Optimist Club will be offering at least six (6) \$1,000 scholarships this year. Applications should be made available to all graduating seniors who are preparing to attend an accredited college or vocational school. **Please note we have two separate applications now; one for Colleges and Universities, and one for Technical Schools.**

We are soliciting your help in identifying young adults that may need the scholarship to ensure continued success with their pursuit in seeking further education.

Please make the attached information available to those students that may benefit from this contribution. The applications need to be returned to me by February 27, 2023.

Please reinforce with your students that neatness is a plus when completing the attached form and only completed forms will be considered.

Contact information is on the application; please encourage the students to complete the form as soon as possible. If you have any questions, please give me a call.

Thank you for your assistance!
